

**MARELLO**  
YOUTH RETREAT CENTER

As Marello Youth Retreat Center nears its **10-year anniversary**, we're seeing the "love and wear" that our carpet has endured over the years! Every year, more than 2,000 young people walk through our doors to experience a warm and comfortable retreat environment.

Naturally, those tiny, little carpet fibers break down over time, absorb some spills, and become subject to "high traffic" pathways as retreatants engage in icebreakers, games, small groups, and even a little shut-eye!

**As we prepare to replace our carpet, we invite your support!**

Please consider a donation of \$25 per one square foot of carpet! With more than 7,000 square feet required, your gifts really matter!

Please learn more about how we're **Rolling out the Green carpet** on the back of this insert, and complete and mail the donation form today!

# Facts You Should Know

Marello Youth Retreat Center embarks on building improvements with guidance from industry experts.

You can be assured:

- A bid process guarantees the best value in terms of product quality and installation.
- Product selection is based on commercial guidelines for retention rating. Carpet and pad will be appropriate for “severe traffic end use” to gain the maximum life span of product.
- Consideration for indoor air quality and product specifications which better protect building occupants is assured.
- Existing carpet and pad will be appropriately recycled.
- Carpet installation is anticipated to occur late 2011 with minimal impact to retreat activity and Marello Youth Retreat Center.
- Commercial carpet replacement/installation is projected to be approximately \$25,000.
